## About Me

Aspiring IT professional currently pursuing an MSc in Information Technology, with a strong foundation in software engineering principles, eager to build a career as a Full Stack Software Developer. Passionate about designing scalable web applications, writing clean and efficient code, and contributing to dynamic tech teams focused on delivering innovative and user-centric software solutions. Seeking an opportunity to apply my academic knowledge and hands-on development skills to real-world projects in the software development industry.

## PROJECTS

### Swa Sahayta Samuh (Self Help Group)

2024

#### Mini project

- Actively involved in managing financial activities of a community-based Self-Help Group.
- Performed routine banking operations such as cash deposits and withdrawals.
- Maintained financial records and transaction registers for transparency and accuracy.

### CSPDLC Online Hiring Portal

2025

#### Internship

- Contributed to the development of an online recruitment portal for Chhattisgarh State Power Distribution Company Limited (CSPDCL), aimed at streamlining the hiring process for candidates and administrators.
- Worked on key modules including job posting, candidate registration, document upload, admit card generation, and result display using Django (backend) and React (frontend).
